NVR170H Henry HEPA Commercial Dry Vacuum

Henry HEPA is equipped with an advanced 3-stage filtration system that delivers certified HEPA H13 levels of filtration down to 0.3 microns at 99.97% efficiency.

Henry HEPA features a high efficiency HepaFlo filter bag, a triple layer TriTex pre motor filter and a post motor H13 filter cartridge. Henry HEPA's post motor H13 filter won't require regular replacement, unlike vacuums with pre motor HEPA filters – saving you money.

Henry HEPA captures particles that are common allergy triggers such as pollen, pet dander and dust mites. Once vacuumed, these particles are then locked within a high efficiency HepaFlo filter bag, ensuring easy, clean and safe emptying.

- 2 Year Warranty
- 7.2L dry only vacuum
- Advanced filtration - engineered with an H13 rated HEPA filter, TriTex filter and HepaFlo filter bags
- 10m cable with manual rewind
- Built in wand dock and tool storage
- Full accessory kit

Certified
