Hako

Clean ahead

***Cleanserv VU4, VL2-70
VL3-70I and VL1-15/30***

***Powerful brush vacuum cleaners,
wet and dry vacuums, industrial vacuums***

1) Cleanserv VU

Upright vacuum cleaner for the thorough but gentle cleaning of carpets. With a telescopic vacuum pipe, flexible hose and germ-reducing fibro filter or optional HEPA filter. Tool-free brush-change system.

2) Cleanserv VL2-70

Very robust wet and dry vacuum cleaner with a solid handle bar and big wheels, manages thresholds and steps easily. Convenient draining of fluids through a tilting device on the chassis. Two by-pass-cooled vacuum motors can be activated on demand. A click-system enables quick disconnecting of the hose.

Antibacterial purification of waste air through Sanifilter.

3/4) Cleanserv VL3-70 I

High-performance wet and dry vacuum cleaner for industrial use. The stainless-steel hopper and three by-pass-cooled vacuum motors guarantee a long operating life. 3x 1,200 Watts clean away dust, splints and turnings, oily fibers and fluids. Convenient draining of fluids through a tilting device on the chassis and an additional draining hose. Antibacterial purification of waste air through Sanifilter.

5) Cleanserv VD5

Compact vacuum cleaner for the professional cleaning of offices, hotels etc. Its low weight and the jacketed wheels make the machine extremely manoeuvrable, stable and low-noise. Double-filtration through a cartridge and a paper filter.

6/7) Cleanserv VL1-15/L1-30

Handy, user-friendly wet and dry vacuum cleaner, very stable. The low-weight, plastic-coated aluminium vacuum pipe is extremely shock-resistant.

Large selection – great performance: wet and dry vacuum cleaners for every application
